

Global Gifts

Mission Statement

Global Gifts is a not for profit business committed to serving impoverished artisans and producers in the developing world by:

- *Providing vital fair income and employment for people of limited opportunity;*
- *Marketing ethically produced and ethically obtained handmade products;*
- *Educating the public about the cultures and traditions associated with items we sell; and*
- *Helping consumers spend their shopping dollars in ways that benefit impoverished peoples around the world.*

Volunteers are an integral part of our organization. Each brings special gifts to us and makes the running of our nonprofit business possible.

Volunteers attend an orientation session and in-store training before beginning their volunteer service, and attend periodic on-going training sessions throughout their tenure. We will help you to contribute in the way that best meets your needs and ours.

Please complete this Volunteer Application and return it to one of our stores. The Volunteer/Outreach Coordinator will follow up with you soon.

Thank you for your interest in becoming a part of Global Gifts! And feel free to share a copy of this application with a friend.
